

The magic show

1. Match them up!

Draw a line to match the picture and the word.

Pete	cape	cube	nine	rose
------	------	------	------	------

Magic 'e' makes short vowel sounds long:

a = cap

a + magic 'e' = cape

e = pet

e + magic 'e' = Pete

i = hid

i + magic 'e' = hide

o = hop

o + magic 'e' = hope

u = cub

u + magic 'e' = cube

2. Find the spelling!

Look at the words. Circle the words that have magic 'e' at the end.

'a':	cap	cape	hat	snake	name	sat
'e':	Pete	pet	red	eve	spell	here
'i':	hid	hide	five	sit	nine	trick
'o':	hope	hop	on	rose	long	nose
'u':	cube	cub	flute	luck	fun	tune

3. Sound it out!

Join the sounds together to read the words.

Then write the words under the correct sound in the table.

c-a-p	f-l-u-t- <u>e</u>	r-e-d	n-i-n- <u>e</u>	f-u-n
n-o-s- <u>e</u>	s-i-t	c-a-p- <u>e</u>	h-o-p	e-v- <u>e</u>

short 'a' sound	short 'e' sound	short 'i' sound	short 'o' sound	short 'u' sound
cap				
long 'a' sound	long 'e' sound	long 'i' sound	long 'o' sound	long 'u' sound

4. Draw a picture!

Read the sentences and draw pictures!

<p>The cap is now a cape!</p>	<p>She takes a rose out her nose.</p>
<p>She plays a tune on a flute in the cube.</p>	<p>Here is Pete with five bikes.</p>
