

## It's bigger than a mouse

Comparatives and superlatives

An elephant is heavier than me  
It's slower than a cheetah or a bee  
It's bigger than a mouse  
But it's smaller than a house  
And you'll never see one sitting in a tree.

A lizard is more handsome than a frog  
But it's uglier than many cats and dogs  
It's quieter than a bat  
And it's thinner than a rat  
But you'll never see one going for a jog.

The largest creature in the world's a whale  
It has the most enormous head and tail  
It blows the highest spout  
And it's got the biggest mouth  
But you'll never see one going for a sail.
