

Snack time

Nanu, Ali, Robot,
Everybody in the house,
It's snack time in the kitchen,
And that's what this song's about.

I just want to eat chocolate, crisps, biscuits and sweets
today.

I know that it's not healthy, but sometimes a treat's OK.

Ali, drink a smoothie, it's healthier for you.
Bananas, berries, apples, pears.
Yeah! That's what I'm gonna do.

Nanu, Ali, Robot,
Everybody in the house,
It's snack time in the kitchen,
And that's what this song's about.

I just want to eat burgers, chips, pizza and ice cream today.
I know that it's not healthy, but sometimes a treat's OK.

Nanu, make a salad, it's healthier for you.
Olives, peppers, carrots, rice.
Yeah! That's what I'm gonna do.

Nanu, Ali, Robot,
Everybody in the house,
It's snack time in the kitchen,
And that's what this song's about.
